Marcy Phelps

Phelps Research

www.phelpsresearch.com

As the founder and president of Denver-based Phelps Research, Marcy Phelps provides business research and analysis for marketing professionals and info pros. She is a past-president of the Association of Independent Information Professionals (www.aiip.org) and the current Chair of SLA's Advertising & Marketing Division. Marcy is a contributing editor for FUMSI, a FreePint publication (www.fumsi.com/find) and the author of *Research on Main Street: Using the Web to Find Local Business and Market Information* (Information Today, Inc., April 2011).

Marcy blogs about turning information into insights at www.MarcyPhelps.com. She also publishes *ResearchNOTES*, a monthly email bulletin with tips and sites for web searching, at www.phelpsresearch.com/researchnotes.
